

Enabling the disadvantaged and disabled of all ages to share the exhilaration and fulfilment of flying

Helping Wings Day CHILDRENS' DAY - Sunday 18th September 2022  
(for children aged 5 to 12 years)

	Participant	Parent/carer	Sibling	Sibling
Forename				
Surname				
Age				

Siblings may be able to join in on the flight subject to aircraft capacity and availability

Contact details (please print)	e-mail	Telephone

Preference for the flight – Morning or Afternoon – please indicate AM or PM (not guaranteed)

Please confirm that we can hold your contact details on file for future events (These details will not be shared with anyone else)

The media may be present and we are planning to have a photographer at the Aero Club to take pictures. May photographs be taken and used by the media, on the Helping Wings website/Facebook pages?

Please let us have details of any specific dietary requirements and/or anything else you think could be relevant: (for example: limited mobility)

**Please note that a parent/carer MUST be present at all times**

On the day you can contact us on the Helping Wings mobile: 07829 850209

	Name	Signature	Date
Parent/Guardian			

The small size of the light aircraft we use mean that there have to be some limitations on the height and weight of passengers. For our normal aircraft the maximum weight of a passenger is 17 stone (220lb or 115kg) whilst the maximum height is 6'4" (193cm).

We occasionally have use of larger aircraft but these are subject to limited availability.

When complete please return this form to:
