### **2022 Flying bursary sponsored by Ports of Jersey**

Helping Wings, the Jersey light aviation charity, is delighted to announce the 2022 bursary worth £2000 of flying training sponsored by Ports of Jersey with Synergy Flight Training based at the Jersey Aero Club.

The first step is filling in this form, after which we will invite the applicants to come and meet us so that we can find out more about them and let them know more about the flying training.

To apply for the bursary, the applicant must be over 16 years old and be willing to share the flying experience on social media to help us raise the profile of the bursary.

There is no medical examination for the bursary. We may seek a medical opinion to ensure that both the successful candidate and the instructors can complete the bursary safely. However, to date we have been able to welcome students with a variety of disabilities so please consider applying. If you have any concerns about your fitness to fly, you are welcome to contact us for a discussion before applying.

We will not share the information on this form beyond the selection panel without your consent. We will only retain the application form from the successful applicant whose details will be shared with Synergy Flight Training instructors.

## **APPLICATION FORM FOR THE 2022 FLYING BURSARY**

**Name -**

**Date of birth -**

**Address -**

**Contact telephone number -**

**Email -**

**Occupation -**

**Have you lived in Jersey for over 5 years? -**

**Interests; Hobbies; Sport participation -**

DECLARATION

I hereby declare that to the best of my knowledge I neither have, nor have I been diagnosed with, any medical condition which would cause an adverse effect during flight.  
I further declare that I have no medical condition which is likely to be exacerbated by the forces exerted on my body during flight, and I understand that, in the event of an emergency evacuation, I may not be able to exit from the aircraft until assistance arrives.

On behalf of myself and all those on board, I confirm that I have read and understood this declaration of fitness to fly.
